Contracted Service Provider Notice

RSS Feed

(CSPN – 2014/22)

Dear Service Providers

The Office of Hearing Services (the Office) has enhanced our website, with the deployment of an RSS feed. An RSS is a free 'news feed' that you can subscribe to, to receive notifications of changes to the website content. Subscribing to the Office's RSS feed will remove the need for you to manually check the web site for new content.

Two RSS feeds are available for subscription

- Main feed - all new content and important updated content
- Contracted Service Provider Notices (CSPN) only - all new CSPN's

To subscribe to OHS RSS feeds.

- Click on the RSS feed link in the thin footer at the bottom of the home page
- Select which feed you would like to subscribe to
- The RSS should open for you – you can choose how you would like the content delivered

If you have any queries in relation to this information please email the Office at hearing@health.gov.au

Yours sincerely

(signed)

David Brown
Director
Access and Information Section
8 September 2014
